1. Purchase your Modular stand – Select from custom designs or have a stand designed for you using standard components.

2. Re-configure your stand using existing components or increase the size by adding new sections.

## Modular stands are flexible and re-usable.

Purchase your stand just once and when you need to use it again simply re-configure the design selecting only the components required, or add additions to fit your new space and together with fresh graphics your stand will look completely different at a fraction of the cost!

3. Update your graphics to create a brand new look from your existing stand.

# LoanStands

## What you will receive

### What is included

- ✓ The hardware and graphics.
- ✓ Installation and dismantle at all exhibition centres in London, Coventry and Birmingham. Please contact us for installation costs at other venues.
- ✓ Extra lights and many other accessories are also available, please ask us for a price.

### Storage

We also offer a storage option of products and samples. Please ask us for a price.

### Loan and purchased items

All Loan structures remain the property of Parkes Print & Design. Display graphics are purchased and remain the property of the customer. Prices quoted include installation, dismantling and storage of hardware.

### Purchase

If you fall in love with your stand, you can see what it costs to purchase. The prices shown to buy exclude carry cases.

### Loan period

Standard Loan is 14 days, please ask for a quote if you need the stand for longer.

Please be advised that all stands are subject to availability, alternative options may be suggested.
