CounterCurve

A high profile true Exhibition Counter system that can be reconfigured multiple times in an array of shapes and sizes.

Assembly in 8 easy steps

- 
Tool free assembly using counter clamps
- 
Easily connects to form the counter
- 
Attach the table top to the section
- 
Connect the base of the next module
- 
Attach posts and place the next table top
- 
Decide what you require for your event
- 
Add shelves if required
- 
Magnetically attach graphics to the front

CounterCurve features

- ✓ **High profile** true exhibition grade counter
- ✓ **Assembly fast**, simple and tool-free
- ✓ **Robust metal** structure & durable for weight bearing
- ✓ **Optional LED lights** on table top and base
- ✓ **Great storage capacity** with optional shelving
- ✓ **Graphics** can be interchangeable
- ✓ **Modular & reconfigurable** for different events

Arrange the CounterCurve to the shape that will suit your display best, the choice is yours.

DSV six bay radius counters linked together
