Hardware Specifications

Assembled dimensions:
1000 (h) x 950 (w) x 565mm (d)

Weight

Hardware weight:
15kg
Load bearing weight:
50kg approx

Assembly Instructions

Kit includes: Top, base and MDF tambour wrap (Optional internal shelf and poles shown)

1 Lay the base on the floor, hook fastener side uppermost. Attach the tambour wrap to the base.

2 Continue to attach the wrap. At this stage you may decide to have the unit open or closed at the back.

3 Place the top onto the wrap and secure using the hook fastener.

Completed Crescent workstation.

Optional Internal shelf assembly

1 Locate the twist and lock poles into the internal shelf. Ensure the arrows on the poles are all facing the same direction.

2 Locate the poles/shelf into fittings underneath the Crescent top. Rotate each pole in the arrow direction to lock the shelf in place.

Completed internal shelf.
