CounterCrown | exhibition kiosk/counter

The **CounterCrown** offers the most amazing visual impact for a promotional counter

Using the CounterCrown you can benefit from the following:

- ✓ **Assembly is fast**, aluminium hardware pushes together and graphics slide over the frame
- ✓ **Simple to dismantle** and easy to transport
- ✓ **Extremely light** - framework is tubular aluminium
- ✓ **Replace the graphics** when you have a new product, sales message or pricing

Imagine the benefit of using the 'CounterCrown' for your stand

Easy to assemble frame work is covered by tension fabric graphics

An impressive large counter that is easy to transport to different venues. Comes in 3 metre wide as standard but also available in other sizes too.

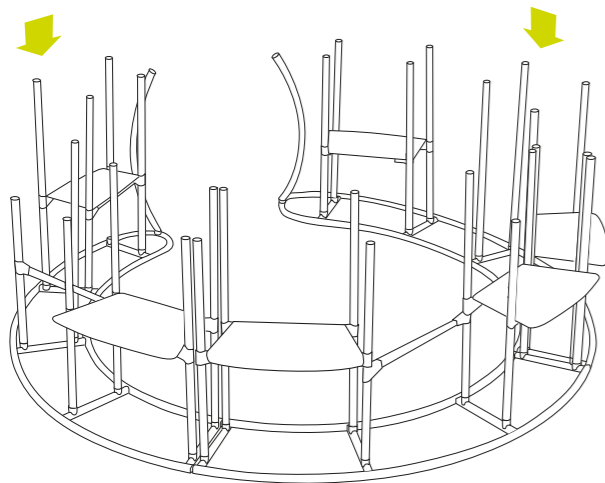

CounterCrown | lightweight promotional counter

The **CounterCrown** is designed for quick push together and lock frame with zip over fabric graphics making it light enough to reposition once assembled for ease of use.

#1
Identify and layout the bottom of the framework. Push sections together and lock using the allen key.

#2
Once the footprint is laid out add the vertical uprights to the footprint.
Add the internal shelving and the bracing beams. Make sure that they are all coked using the allen key.

#3
Slide and secure the shelving and bracers into position. then mount the top bars like at the start.

#4
Stretch the fabric graphics over the frame from the top and zip up at the bottom to secure the fabric graphics in place.
Take note the zip access panels align with the internal shelving.

CounterCrown | exhibition kiosk/counter

#5
Add the plexi glass counter top to finish off the counter section.

#6
Assemble the crown frame and the central counter in the same way as you assembled the counter.
The pull on the Fabric wrap and zip it up to secure.

#7
Hoist up the crown on the centre pole and insert into the pole central counter.
Notice how light the crown is to hoist up into position. Your stand is now complete.

- ✓ Easy push fit and allen key fitting
- ✓ Lightweight and portable
- ✓ Machine washable polyester fabric graphics
- ✓ Heavy duty industrial zips
- ✓ Plexi glass counter top
