...the most versatile and durable indoor-roller banner

The Emu is an indoor roller banner that comes in six stock widths but can also be custom made to the width you require. It also comes as single or double sided, ideal for shows and business events.

## Features & Benefits

- ✓ Six stock widths available: 800, 1000, 1200, 1500, 2000 and 2400mm
- ✓ Special package discount for ordering multiple display units
- ✓ Hard wearing model
- ✓ Adjustable feet - ideal for levelling on uneven surfaces
- ✓ Accessories including tablet holders make the display banner even more useful
- ✓ Direct delivery if required - we can deliver direct to the hotel/exhibition/ conference centre giving you one less thing to carry

### Ideal Uses:

- ✓ Ideal for conferences, shows and demonstrations
- ✓ Entrance areas and showrooms
- ✓ Open days, presentations, seminars and training days
