Modular Walling

Branded Fabric Partitions

Great for internal branding and inspiring a great culture in the workplace

Use modular walling to separate desks and workstations. Designed as partitioning to protect and reduce risk between individuals. All desk partitions are fully customisable to meet exact requirements including sizing, materials and branding.

The modular benefits of the CubeLock system mean your solution can adapt to a range of different applications over time. Perfect for workspace layout changes, temporary storage solutions, partitions and dividers, semi-private zones, and more.

Combine with other social distancing products to create a complete protected environment.
