# FabriWalls

previously know as  
the Barbet range

The **FabriWalls** are made from an aluminium structure with a fabric sock that wraps snugly around the frame. The system packs flat for easy transportation and the frame has a simple construction using snap buttons, this means attaching the graphic takes just a couple of minutes.

Glamorise any space with the **Horizontal FabriWall**. A perfect way to wow your customers with this lightweight free standing wall display.

## Sizes

**2.4m** 2438(w) x 2280(h) x 420mm(d)

**3m** 3048(w) x 2280(h) x 538mm(d)

**6.1m** 6096(w) x 2280(h) x 700mm(d)

Set of 2 Lights also available

The **Vertical FabriWall** is the vertical version of the free standing wall display identifying your products from a different aspect.

## Sizes

**3m** 3048(w) x 2280(h) x 583mm(d)

Set of 2 Lights also available

The **FabriWalls** look spectacular with their sweeping lines and large visual graphic area. Graphics can be removed and replaced easily, making this a great option when your sales message needs to be changed frequently.

For a simple yet effective backwall, the **Straight FabriWall** is a large format fabric panel that is easy to assemble.
