In the interests of eco friendliness, the **Kensington** bottles are highly desirable as they have the following environmental benefits

- ✓ Stainless metal is widely recycled
- ✓ Designed for multiple use
- ✓ Cuts down landfill and use of plastic

“ Off the back of the fantastic job you did for the recent DataCon event, word is getting round at GSK! May I please introduce you to my colleagues who are looking for some assistance with items like water bottles, global stress ball and journal and pen set. We have approximately 400 recipients that are globally located and would like items shipped to their houses to include a postcard. ”

GSK Testimonial

ChilliTypeBottles

Branded Water Bottles

RPET Bottle 500ml Drinking Bottle

This drinking bottle is made from 100% RPET. Leak-proof and BPA-free. Capacity 500 ml.

Choosing RPET means saving of 75% on fossil fuels during production, and another 5% during incineration. Plastic, including polyester, is made from petroleum.

Recycled plastic products reduce CO2 emissions by 70%. Recycled polyester uses 90% less water than regular polyester, and recycled bottles don't end up in the ocean.

Branded Toblerones - Gift designed to encourage visitors and create a memorable visit to their exhibition stand

Qwayo - Branded AntiBac mousemats for the sales team and reps to give out

Parkes were highly recommended by one of our contacts. "We were looking for promotional items for our employees and clients to celebrate our 10th Anniversary. The team were exceptional throughout the whole process. Nothing was too much trouble, the level of customer service they provided was superb. Their product range is vast and the quality excellent. The items have been extremely well received by everyone". - *Assure Consulting Google review on Parkes website www.parkesexpo.com*

ASK FOR A FREE STAND VISUAL

Exhibiting Made Smarter

"Just an email to let you know we were very pleased with our stand and it was so much more professional and striking than what we have had in the past, compliments from competitors too!"

FREE STAND VISUAL
Send us your stand size

How We Work

Tell us your stand size

We'll transform your requirement into a presentation and put together a quote

Then when you have confirmed the project...

Training Service

Self building? We'll supply you with build drawings and offer you a training service

Competing for attention?

Stand Solutions to create an immediate impression

Modular & Reusable Stands configured in a unique way to create an instant impact

FlexiCurve and CounterCurve system used on an Island Display

Same display reconfigured for a different venue

CounterCurve can create a circle or be used in smaller sections

"I wanted to say thank you so much for all your help with our Stand. You have been very patient with us, flexible, co-operative and prompt in all your response The Stand looks fantastic - we are receiving lots of great feedback and the team are very proud to be displaying it. Please pass on my sincere thanks to all the team who worked on the Stand - fabulous job!"

"Thank you for all the hard work. The stand looked amazing; you and your team did such a great job. The arches worked really well to demonstrate our different AV systems!"
